- 2

9.	The applicant agrees that this application as is the joint digital service promptly, when the service provider agrees to provide the service to it.
----	---

10.	Condition for Joint digital communication service
-----	---

- 1) "Service Provider" means TOT PCL
- 2) "Service User" means the applicant for the integrated service digital network (ISDN), which must be approved by the Service Provider.
- 3) The Service user shall comply with the criteria on the service, and if there is a change in the criteria that doesn't affect the Service Provider and the Service User more than as usual in the contractual conditions, the Service Provider shall announce or notify to the media no less than 30 days in advance.
- 4) The Service User shall maintain the terminating equipment used in the ISDN system wither the Service User supplies or the Service Provider owns it.
- 5) The Service User must pay all service charges and/or fees within 7 days following the date of bill receiving.

- 6) In the event the Service User owes a debt, the Service Provider is entitled to suspend the service on the unpaid number, which the Service Provider shall notify in writing in advance or other means to notify the Service User no less than 15 days.
- 7) This ISDN contract is an exclusive right in which a change on the Service User shall require prior consent in writing from the Service Provider.
- 8) The Service Provider reserves the right to change the phone number, system and method of service, which it shall notify the Service User no less than 30 days in advance.

The Service User agrees to allow the Service Provider to implement the service normally according to the network system, e.g. showing the originating number, etc.

- 9) When there is a service on the telephone the Service User must notify the Service Provider, who shall repair the Service Provider’s part up to the linking point until good condition within a reasonable time free of charge to the Service User, except that such interruption is caused by the Service User or its subordinates. In the event the Service User is damaged by an interruption on the service, it agrees not to claim whatever damages from the Service Provider.
- 10) All the correspondences, letters and notices of the Service Provider sent to the Service User at its billing address shall be regarded as duly received by the Service User already.
- 11) If the Service User breaches a contractual clause or violates a telephone law in existence or the future or is contradictory to other laws, or is peril to the country, the Service Provider is entitled to suspend the service and/or terminate the contract. However, the Service Provider shall notify the cause of termination to the Service Provider no less than 15 days in advance.

In the event the Service User does not want to use the service, it must notify the Service Provider on the cancellation in writing no less than 30 days in advance.

I agree to be bound and comply with the ISDN contract as appeared in the application/ISDN contract in all aspects, and regard this document as binding on my service application.
